Hello There!

Thank you so much for taking the time to look through this packet on what a Corporate Fun Membership entails and how it can benefit you and your employees. We've been in the fun game for a while now and we know we can make sure that the fun is more easily accessible for you and your team. What better way is there to boost your team's morale than a trip to the beach with anything you need to better enjoy your time without having to worry about bringing everything from home included.

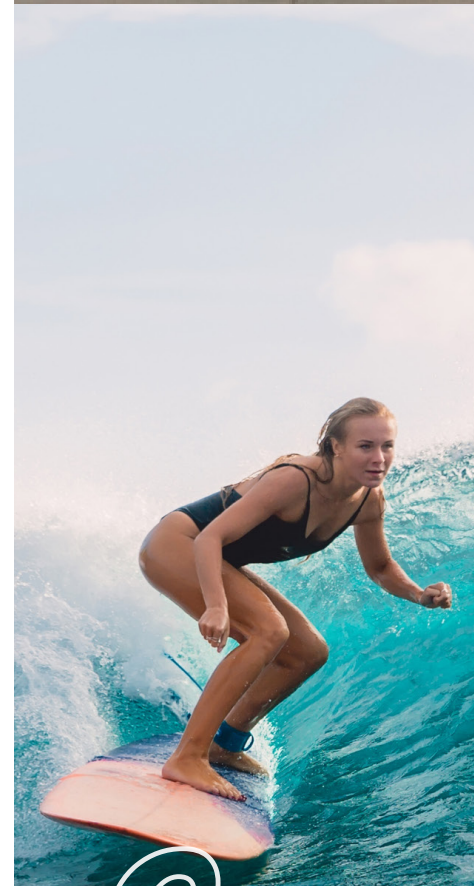

Who We Are

We have been in the rental business for 26 years. Our flagship store, Cheap Rentals, opened in 1998 and we've since expanded to Mission Beach Rentals in Belmont Park in 2014, and to our newest shop, San Diego Bike Rentals in 2024. These shops are conveniently located throughout Mission Beach. Our goal is to ensure that everyone that walks through our doors feels welcome and that they have the best possible beach experience. We've got everything needed from the boardwalk to the water.

The Membership

Our Corporate Fun Membership is a hassle free way for your employees to enjoy the beach without spending a penny. For a flat monthly fee per employee your team will have access to all of our rental equipment (e-bikes excluded). With the membership your staff will have unlimited access to all of our equipment, and trust me, we have everything they'll need while they are down here. This means if they would like to come down for a bike ride, jump into the water for a quick surf session, or just relax on the sand in a beach chair, all they have to do is come in a give us your company's name and they'll be on their way to enjoy the sunshine. It's really that easy and we all know that sunshine is good for the soul. We are also less than a minute walk from the beach which means quick, easy access for your employees to immediately start enjoying their time at the beach.

The Benefits

The outdoors are good for the soul. According to a 2019 study, spending at least 120 minutes in nature per week can significantly boost health and well-being. Reduced stress, mental restoration, and improved emotional well-being are all benefits to being outside. Spending time in nature benefits the body, lowering cortisol levels, the hormone responsible for stress. This stress reduction not only improves mental health conditions, it will also enhance your employee's overall productivity and performance. Another benefit is team building. Imagine all of these benefits plus the opportunity for you and your employees to go on a group bike ride or take a midday surf break together.

Whether your team is 2 or 200 people, we've got you covered and with 3 locations to pick up at you've got options to spread out or meet up for some fun in the sun.

The Costs

COMPANY SIZE	MONTHLY COST PER EMPLOYEE
1-20 employees	\$50
21-40 employees	\$45
41-60 employees	\$40
61-80 employees	\$35
81 or more employees	\$30

Our typical individual monthly membership is \$150 per month, so the savings per person is huge. Not only is this a huge cost saver but it also has the potential to increase productivity and happiness in your workplace.

What's Next?

If you'd like to increase happiness and productivity among your team, why not join our Corporate Fun Membership? It's a great bonus for your employees that will help them mentally and physically at work but also in their own personal lives. Employees help to keep your business alive and always moving forward and a corporate membership is just a small way of saying thank you for all of the hard work.

Thank you!

We would like to express our most sincere thank you for giving this packet about our Corporate Memberships a read through. We hope that if this fits in with the desire you have to improve your team's morale and productivity that you'll give us a shot at helping to make that happen. We believe in our ability to meet your expectations of providing fun at the beach for you and your team.
